

Customer Financing Solutions: Home Improvement & Home Services

Increase Sales with Flexible Customer Financing

Offer Monthly Payments Your Customers Can Afford to Close More Sales

Flexxbuy provides Buy Now, Pay Later (BNPL) options for the home improvement and home services industry, powering growth through an easy application process, and access to multiple lenders. The math is simple: more ways to pay = more sales and higher ticket sales. Enroll with Flexxbuy to make easy customer financing part of your sales strategy. For HVAC systems and water heaters, we even offer no credit check lease-to-own options with up to 48 months terms.
