

Patient Financing for Chiropractors

Grow Your Practice with Flexible Patient Financing

Flexible Financing Options Help You Say “Yes” to More Patients

Flexxbuy offers flexible patient financing solutions to help chiropractors improve patient access to care, increase treatment acceptance rates and optimize revenue. Traditional financing options often reject or under-approve patients, leaving revenue on the table. Flexxbuy Patient Financing changes that by providing seamless access to multiple lenders on one platform, ensuring more patients receive the care they need. Close the gap. Grow your practice with flexible financing.
