

# Patient Financing for Healthcare Providers

Grow Your Practice with Flexible Patient Financing

## Flexible Financing Options Help You Say “Yes” to More Patients

Flexxbuy offers flexible patient financing solutions to help healthcare providers improve patient access to care, increase treatment acceptance rates and optimize revenue. Are you losing patients due to credit denials? Traditional financing options often reject or under-approve patients, leaving revenue on the table.

Flexxbuy Patient Financing changes that by providing seamless access to multiple lenders on one platform, ensuring more patients receive the care they need. Close the gap. Grow your practice with flexible financing.
